Dear Mr. Gopenko,

Thank you for your excellent service with regard to our pianos. We appreciate your competent repairs to the upright piano and your willingness to come in and tune the grand pianos at odd hours to accommodate the demands of our school schedule. Your work and your charges have been most satisfactory.

Feel free to use this note to assure others of my high regard for the excellent quality of your work.

Looking forward to using your services again, I remain,

Gratefully,

(Rev.) Albert T. Holtz, O.S.B.
