To whom it may concern:

Michael Gopenko has been tuning our church pianos, our home piano and our parsonage piano for 11 1/2 years.

Mr. Gopenko is an excellent musician who played in our Chorus of Communities' Orchestra for years. Having a good "ear", he is an exceptional piano tuner!

I am the pastor of Bethany Lutheran Church, Belleville for the past 24 years. My first career was as a musician, graduating from college with a "BA" degree as an organ and piano major.

Therefore I feel qualified to recommend Michael without reservation for any piano tuning or piano repairs.

Mr. Gopenko is also very flexible in arranging mutually convenient appointments to tune our pianos.

He is reliable and faithful in fulfilling the promises he makes.

Sincerely,  
Rev. Nancy S. Moore
